

Established 6-Figure Practice for Sale near Portland, OR

My name is Lisa Pool, and I've been practicing acupuncture here in Oregon for over a decade. I'm writing to announce that I'm retiring from my practice, and I'm seeking a new owner! Blue Sky Acupuncture, LLC, is a **well established, six-figure practice** with **high demand** and a **steady flow of new patients**. With **loyal patients, a great location, and a proven track record for profitability**, this practice can support your success to **practice the way you would like to practice**. Determine the length of your visits and your schedule. For full details, including asking price, see my complete listing here:

sellingappractice.com/bluesky

Here are just a few things you'd appreciate if you were to step in as the new owner:

Six-figure income working 3 days/week

Scalable: **very high demand** can **easily meet expanded/full-time hours** or new associates.

Excellent reputation in the area

Happy to provide **full transition support**

Truly **turnkey** opportunity: all equipment is ready, decorated, systems are in place and the space was recently remodeled.

Wonderful **quality of life: easy rural living** combined with a little **luxury** of living in wine country. McMinnville is **only 1hr from Portland** and **45 mins to Salem**.

Speedy Return On Investment: the new owner could reasonably gross back the asking price within 8 months.

Referral relationships with local MDs, an NP, neurologists, PTs, DCs and LMTs.

Great **clinic space:** very well located / accessible for patients in the area, wonderful interior (see photos in my listing).

Loyal clientele awaits the new owner that I'll vet.

In case you're interested (or know someone who would be), the listing includes:

- Asking price
- Photos
- Financial performance & expense info
- Px demographics & more

Please call or email with questions, to set up a phone call, or schedule a virtual or in-person visit of the clinic. A no-pressure initial chat will help you get a better sense of the value of this opportunity.

Many blessings,

Lisa Pool, LAc
